

Big Conversation Cafés

Set up in response to the number of times patients, relatives and carers have said: **‘I was wondering about that but didn’t know where to turn to or who to ask ...’**

Big Conversation Cafés are a **safe** place to have a cup of tea/ coffee and **to meet professionals** who might be able to direct you to the right place **to start the conversation.**

Come along and say: “ I was just wondering about...”
If we feel there’s a need for a more detailed physical assessment we can refer you to one of our services.
