# School Readiness Checklist

The NHS Bucks School Readiness team includes **specialist school nurses and other health professionals**. Our aim is to help you identify, and then address, any issues **before** your child starts school so that they can look forward to a healthy, happy school life.

We hope this **checklist** will help you prepare your child for school in September. It is focused on your child's overall **health** and **emotional wellbeing** at this important time in their life.

		Yes	No
1	Are your child's immunisations up-to-date? <b>If no, or you are unsure, please contact your GP</b>		
2	Does your child have any long-term health conditions that may affect their school attendance? If <b>YES</b> , have you informed the school?		
3	Does your child suffer with any allergies that may impact on their schooling, e.g. eczema, asthma, severe food allergy? If <b>YES</b> , have you informed the school?		
4	Does your child take any regular medication? If <b>YES</b> , have you informed the school?		
5	Do you have any concerns with your child's growth or development? If <b>YES</b> , have you shared your concerns with the GP?		
6	Is your child registered with a dentist? <b>If NO, you can find a local dentist by accessing <a href="http://www.nhs.uk">www.nhs.uk</a> . This is a free service.</b>		
7	Is your child under the care of an optician/orthoptist/eye clinic and/or wears glasses? <b>You will be offered a vision screening for your child during the Reception year. It is recommended that children should get their eyes tested at least every 2 years. This is a free service.</b>		
8	Do you have any concerns with your child's hearing or is your child under the care of the audiology department and/or wears hearing aids? If <b>YES</b> , have you informed the school?		
9	Does your child have a health care plan at their current pre-school/nursery/child minder? If <b>YES</b> , has this been shared with the school?		
<b>The next section is about your child's development in relation to readiness for school</b>
