Children and Young People's Occupational Therapy Sensory Processing Workshop 2018

The workshop will cover:

- Understanding the sensory systems and their purpose
- Exploring the impact of sensory processing difficulties on your child's functional skills
- Identifying strategies to improve your child's participation in activities of daily living

Please note: This workshop is for parents and school staff only; we request that children do not attend. We would encourage you to talk to your child's school about a member of their team attending this workshop, as we encourage joint working around the child where ever possible.

Dates

- **Wednesday 9th May 2018**
- **Wednesday 4th July 2018**
- **Wednesday 26th September 2018**
- **Tuesday 6th November 2018**

All workshops will be held from 9.00am until 2.30pm

We request you arrive for 8.45am ready for a prompt 9.00am start

Please note there are a limited number of places available on each date.

Unfortunately we are unable to provide any catering facilities on-site. However, there are a number of local shops where food and drinks can be purchased if required. Tea/coffee available for a donation.

Venue

The Oakridge Centre, 240 Desborough Road, High Wycombe HP11 2QR

There is no on-site parking for visitors at the Oakridge Centre, and long-stay parking in the area is limited. The nearest available long-stay parking is Dovecot or the Eden Centre which are both a 10 minute walk from the Oakridge Centre.

Please call or email to book your place. Please provide the following details

- name of person attending
- child/young person's name and date of birth
- address
- school
- contact telephone number (in case of cancellation)

NB we will be unable to make a booking for the workshop without these details
