Notice of continued closure of Whielden Lane and overnight works on A404

February 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at www.hs2inbucksandox.co.uk.

Why the continued closure to the end of March?

There have been delays to the utility services works on site, so we now need to keep Whielden Lane shut for another month. Keeping it closed allows us to do more work at one time than if it was carried out under single lane closures with traffic lights.

To support these works we will continue to run the bus replacement service from Gore Hill/A355 bus stops near the Tesco supermarket to the hospital. Monday to Saturday from 7am to 6.30pm on a half hourly basis. On Sundays a reduced hourly service will operate from 7.49am to 6.30pm.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Closure of Whielden Lane to the end of March 2021 and one-night closure of A404 on Wednesday 31 March 2021

What we will do

We will be working hard to ensure any impacts on residents are kept to a minimum during these works

Notice of continued closure of Whielden Lane and one-night closure of A404

One-night closure of the A404

Fusion need to undertake works to survey the traffic management they installed last year, and we need to remove the temporary safety barrier along the A404. This will be done at night to reduce disruption to the A404. A diversion route will be in place.

The A404 will be closed on Wednesday 31 March 2021 between 9pm in the evening through to 5am the following morning.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
