

How to tie a tie

Pratt Knot

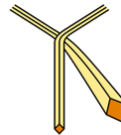

1. Start in front of a mirror

2. Place the tie on your neck, with seam facing towards the mirror. Place the tie so the wide end will be longer than the narrow end

3. Bring the wide end of the tie across the narrow end

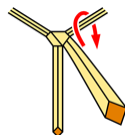

4. Loop the wide end of the tie around the neck loop. First pass the wide end upwards

5. Above the tie around your neck, and then pull it back down, below it.

6.

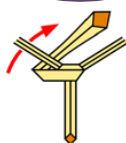

7. Turn the wide end of the tie, across the narrow end, so front of tie is facing forward

8. Pass the wide end of the tie below the neck loop, upwards.

9.

10. Pass the wide end of the tie down, inside the loop which created the last step. Finally, tighten the tie around your neck.

11. Turn collar back down.

Well done!
