Safe & compassionate care,

every time

How can I help reduce healthcare associated infections?

Infection control is important to the well-being of our patients and for that reason we have infection control procedures in place. Keeping your hands clean is an effective way of preventing the spread of infections. We ask that you, and anyone visiting you, use the hand sanitiser available at the entrance to every ward before coming in to or after leaving the ward. In some situations hands may need to be washed at the sink using soap and water rather than using the hand sanitiser. Staff will let you know if this is the case.

I WOULD LIKE TO HEAR ABOUT RESEARCH IN THESE AREAS:

BY TICKING HERE YOU AGREE TO YOUR DETAILS BEING RETAINED FOR 5 YEARS

‘We would like everyone who attends Buckinghamshire Healthcare NHS Trust to have the opportunity to take part in a research study.’

There are studies in our hospitals which may be relevant to you now or in the future. If you consent to your details being stored on a secure database, we would be able to contact you to offer you the opportunity to participate when a relevant study arises.

Would you like to take part in research? It is straight forward and easy to get involved!

You can contact a member of the research team by:

Tel: 01296 316065

Email: buc-tr.c4c@nhs.net

Address:
Research & Innovation
Department
Stoke Mandeville Hospital
Mandeville Road
Aylesbury
HP21 8AL

TO HOSPITAL STAFF:

When someone gives you this completed form, please put it in a sealed envelope marked *‘Confidential’* & send it to:

C4C
Research & Innovation
Department
Stoke Mandeville Hospital

HOW TO PARTICIPATE

1

FILL in your details on the form overleaf & hand to a member of staff –
OR post to address overleaf

2

WE will then record your details on our secure database

3

WE then send you information by post or email **ONLY** when a study is relevant for you
