How can I help reduce healthcare associated infections?

Infection control is important to the well-being of our patients and for that reason we have infection control procedures in place. Keeping your hands clean is an effective way of preventing the spread of infections. We ask that you, and anyone visiting you, use the hand sanitiser available at the entrance to every ward before coming in to or after leaving the ward. In some situations hands may need to be washed at the sink using soap and water rather than using the hand sanitiser. Staff will let you know if this is the case.

Chaplaincy

Safe & compassionate care,

every time

We're here for everyone

Being in hospital can be a time of pain and distress, cure and relief, fear and hope, during which you may want to talk to someone in confidence. As chaplains we are available to provide professional spiritual health care by being alongside patients, their loved ones and staff, to enable them to find meaning and purpose in their situation. We are here to listen and to offer compassionate support to people of all faiths and beliefs, as well as those who do not have a particular religious belief.

Free resources for patients and visitors

Bibles, Qurans, poems, readings, books and Common Prayer books are available in the prayer rooms of our hospitals. Please ask if you require a copy. A variety of pastoral cards, holding crosses and rosaries are also available for you to take home or pass to a loved one.

Hospital Radio Join the chaplaincy team on SMHR every first Monday of the month, 9.30-10.00am, smhr.co.uk

Places of worship and peace

All places of worship are for prayer, reflection or to sit quietly.

Stoke Mandeville Hospital

Support and referral

If you would like our support, please complete the referral on the reverse of this page and hand it to a member of staff who will contact us. You can phone us directly using the 'Contact Us' details. All of our chaplains provide generic chaplaincy support. You can request a bedside visit from a chaplain of your own faith or ask to see our Humanist Pastoral Carer.
